

U3A Perth Regional Highlights

The Rohingya Genocide with Dr Melanie O'Brien

Melanie O'Brien is Senior Lecturer in International Law at the University of Western Australia, an award-winning teacher of International Humanitarian Law, Public International Law, and Legal Research. Her work on forced marriage has been cited by the International Criminal Court, and she has been an expert panellist on genocide prevention for the UN Office of the High Commissioner for Human Rights. Melanie is an admitted legal practitioner who has previously worked at several Australian universities and many International Justice Organisations.

The Body In The Bag with Emeritus Professor Robert Mead

Hear how Forensic Anthropology solved a murder after mummified human remains were found in a bag lying beside a road.

Where had the unknown body been kept? When and how did he die?

The information written on his bones revealed the story of his life, appearance and occupation which answered the questions and brought his killers to justice.

November 2021

U3A Perth Regional Highlights

▶ The Golden Pipeline with Anne Brake

Anne is committed to the important role heritage can play in strengthening communities. Originally with an education background she has over 30 years' experience in the museum and heritage sector in both NSW and WA. She will speak on brilliant engineer, C Y O'Connor's iconic pipeline which brought life-giving water to the goldfields and allowed what has become one of the richest square miles on the planet to develop and support the growth of WA. Visit us to hear Anne and share a tea or coffee in the TAFE café afterwards.
